Description:	Hello and good day . I just got you hotel information from the internet,i will want you to know that some of my client are coming into your country .I will want you to know that i will be making the reservation for some of my clients. Let me know the rate and cost of double room stay for two people that will make it 3 double room for 6 days and send the total cost to me so i can send you my clients credit card details as soon as possible for you to charge in advance and send the charge confirmation to me . Here are the names of all 6 people. Micheal B./Henry David Henry/mr Ola/Henry mr keith lohan/mrs kate solon/mrs janet cole/mrs I would want you to know that we are due to arrive (CHECK IN )on the 15th July 2009. and dept on th of 21th July 2009. As soon as you confirm the reservation i will send you the credit card details for you to charge the full payment so as to hold the bookings. I do hope to read from you promptly. Regards Micheal Parry
Other:	This scam uses a stolen credit card. The host will be asked to take more than the quoted tariff and then forward the extra money to some third party for purchases to do with the trip. Once the credit card has been rejected the host will be out of pocket for the amount forwarded to the third party.
